The BC School Fruit and Vegetable Program is an incredibly successful program that delivers healthy fruit and vegetable snacks to schools across the province. We are pleased to announce that our school has been accepted into the program for this school year. We are also pleased to announce that the program has been extended to include milk for our K-2 students. These programs are administered by the BC Agriculture in the Classroom Foundation and supported by Healthy Families BC.

The BC School Fruit and Vegetable Program +Plus Milk is part of a province-wide healthy living initiative. One of the goals is to encourage healthy eating by providing fresh BC fruits and vegetables to our students during class time. Our students will receive these healthy snacks 13 times over the school year at no charge!

To ensure every student's health and safety, please return this reverse consent form **ONLY** if you do **NOT** wish your child to participate AND/OR if you need to alert us to certain **FOOD ALLERGIES**.

Student's Name: _____

Teacher's Name: _____
